

## REQUEST FOR COUNCIL ACTION

**SUBJECT:** Sidewalk across South Jordan Canal on Gardner Lane.

**SUMMARY:** Approve a funding source for a sidewalk connection on Gardner Lane across South Jordan Canal

**FISCAL  
IMPACT:** Approximately \$8,500.

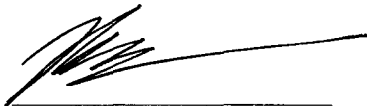

**STAFF RECOMMENDATION:**

Staff recommends that City Council determine a source of funding for the above referenced project.

**MOTION RECOMMENDED:**

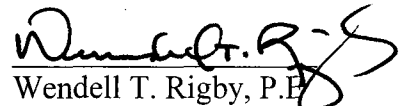

I move to direct staff to construct the sidewalk as described in this report and to do so using funds not to exceed \$8,500 taken from \_\_\_\_\_ account.

**Prepared by:**

Nate Nelson, P.E.  
City Engineer

**Reviewed by:**

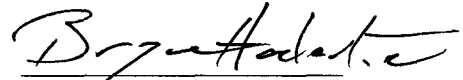

Wendell T. Rigby, P.E.  
Public Works Director

**Reviewed as to legal form:**

Jeff Robinson  
City Attorney

**Recommended by:**

Bryce Haderlie  
Interim City Manager

## **BACKGROUND DISCUSSION:**

On July 10<sup>th</sup> of this year Okubo Farm Phase 1 was granted final approval for a new subdivision located at 1930 West Gardner Lane. As part of the development approval the project was required to construct a sidewalk along Gardner Lane. Upon approval, members of City Council expressed concern about a gap of missing sidewalk across the canal separating Okubo Farm and the existing subdivision to the east called Cajean Estates. Staff was asked to prepare a design and calculate a cost for the City to construct the sidewalk across the canal corridor.

Attached is a concept plan for the new section of sidewalk along with a cost estimate of approximately \$8,500. Staff is prepared to construct the new section of sidewalk using either a hired contractor or City resources providing a source of funding can be determined. The project is currently not listed in any of the CIP projects or in the safe sidewalk program. Staff recommends that Council either approve expenditure from the council contingency fund or direct staff to add this project as a budget item in the 2015-2016 budget.
